Warner SPIRIT Program

We have SPIRIT, how 'bout you?

This is the 4th year for the Warner Spirit Program and we are bringing back Warner Spirit Tickets!!

How it will work: Warner Spirit Day will

be **EVERY FRIDAY**.

- Students will show their Warner Spirit by wearing a Warner shirt.
- The shirt can be one of the fantastic new shirts for the 2018-2019 school year or it can be one from the past. The only catch, **it MUST say WARNER** for the student to receive a ticket.
- Volunteers will only be coming in **one Friday a month** to hand out tickets.
- To make sure your child receives a ticket - wear a spirit shirt **EVERY FRIDAY!** You won't know which Friday volunteers will be here to give out tickets.
- ALL tickets will be collected and held for a school wide drawing in December. We will have 2 prizes that will be really nice and well worth it. In January, we will start over and have another drawing at the end of May with just one awesome prize! Prizes will be announced for each semester soon.

So, get ready to show your Warner Spirit this year! You can purchase a Warner Spirit Shirt at the Spirit Cart! Thank you for your support of the Warner Elementary PTO.

Counselor News

HORIZONS Testing Open-Referral Period begins **October 1st through November 30, 2018**. Parents can nominate their child by completing a Parent Survey and Permission to Test form. **This form can be obtained by the teacher per your request.** Testing will occur in January and testing results will be sent home in April. Please see attached flyer for more detailed information.

Lost and Found

If your child has misplaced his/her jacket, please take a few minutes to come and look. Any items left after Thursday, **December 20, 2018** will be placed in the Clothing Donation box in front of the school.

"Core Essentials"

This year Warner's character education program, designed for grades K-5 will be based upon the values created by The Core Essentials program at coreessentials.org. Each month, a different Core Essential will be emphasized school wide to encourage students to **1) Treat other's right, 2) Make smart decisions, and 3) Maximize their own potential or do their BEST**. The students will learn about these skills with their teachers in their classrooms and also within the guidance lessons presented by their counselors. They will hear and see a "quote of the week" that is related to the skill discussed that month. We will send home information from Core Essentials in the newsletter each month that describes the skill and how you can reinforce them at home. Please see the attached information at the end of the newsletter. The program is designed so that kids will truly know the skills and by the end of each month will be able to "SAY it, KNOW it, SEE it, and BE it". The Core Essential for the month of **October** is **Contentment – Deciding to be happy with what you have**.

Electronic Communication

Please refer to the following guidelines regarding communication:

- Newsletters and other communiqués will be distributed electronically. If you do not have access to e-mail, you may access weekly newsletters by going online to www.cfid.net (click on "Schools and Facilities," "Elementary Schools," "Warner," "Website," "School News.")
- Parents will still need to check their child's backpack/binder daily for any graded papers or teacher communication.
- Additional flyers, etc. that cannot be sent electronically will be sent home on Tuesdays.

HORIZONS IDENTIFICATION PROCESS

A Guide to Parent Referrals for GT Program Eligibility in CFISD

A parent's first step is to review the information located on the HORIZONS website:

www.cfisd.net/en/parents-students/academics/gifted-talented/ especially

- Program Overview
- Parent Information
- Testing for the HORIZONS Program

Parents should discuss appropriateness of GT testing referrals with child's teacher(s) and/or campus elementary Counselor or secondary Director of Instruction.

HORIZONS Testing Open-Referral Period: October 1 through November 30, 2018.

Parents and teachers can refer students for testing.

Parents/guardians can obtain the **Parent Survey and Permission to Test** form from ONLY their child's campus. Completed forms must be returned to the elementary campus Counselor or the secondary Director of Instruction **by November 30, 2018.**

Late forms will **NOT** be honored.

Referred students' information is placed on the Mid-year Testing Roster by Counselors/Directors of Instruction; students are then scheduled for testing.

Testing is administered on campus during school hours on a date set by the campus during the district testing window.

Testing includes the administration of two nationally-normed standardized abilities tests.

Students who score 130 or higher on the abilities tests qualify for HORIZONS services. Results are then sent home to parents from each campus.

[Type here]

Students who do not score 130 as a minimum score on the abilities tests do not qualify for HORIZONS services. Parents of students with scores of 125-129 may wish to view information about the appeal process contained in the **Appeal Process** guide.

Contentment October 2018

SAY IT:

Deciding to be happy with what you've got

KNOW IT:

ASK A KID:

- Think of a time when you really wanted something, but you had to wait for it. Were you able to be content with what you did have while you waited?
- Can you think of some people that you know who are content with what they have?

ASK A GROWN UP:

- When is the last time you were not happy with all that you have? How did you act? What were some thoughts that you had?
- Are there people that you have come across in your life who were content? What are characteristics of contented people?
- What are some things that you have done that have helped you be successful in remaining content?

SEE IT:

To be content is to be happy. There are several things that content people do regularly to remain happy with what they have. These include spending their money on experiences rather than things, spending more time outdoors, and exercising consistently. They also spend time with friends and family who are also happy and content. Sometime this month visit www.24hoursofhappy.com together as a family. This website is based on the song Happy by Pharrell Williams. It is an infectious 24 hour music video that shows people from all walks of life dancing and choosing to be happy.

BE IT:

Select a few days this month to venture out as a family and do things together. Examples might be: take a picnic to your local park, hike some trails, pitch a tent in the backyard and camp out together, or simply get outside and walk the dogs together. Taking time to slow down and spend time together will be time well spent and will allow you to be content with what you already have.
