Benchmark Testing

No Visitors/Volunteers/Lunch Deliveries

On various Benchmark testing days throughout the year, we find it necessary to modify our schedule in order to provide the best testing environment for our students. This means that lunch and large group schedules may be modified for all grade levels. On **Monday, March 25th, Tuesday, March 26th and Wednesday, March 27th**, the school will be closed to visitors/volunteers. In addition, parents should be certain that all students come to school with a lunch on this day or have money in their account, as lunch times may change from the normal schedule. **We will not be accepting lunch drop offs on No Visitor/Volunteer Days. Staff is unable to deliver lunches**

Warner SPIRIT Program

We have SPIRIT, how 'bout you? We want to see your child's spirit for Warner- have them show it by wearing a **Warner Spirit Shirt EVERY FRIDAY!**

This is the 4th year for the Warner Spirit Program and Warner Spirit Tickets are in full force!!

How it works: Warner Spirit Day is **EVERY FRIDAY.**

- Students will show their Warner Spirit by wearing a Warner shirt.
- The shirt can be one of the fantastic new shirts for the 2018-2019 school year or it can be one from the past. The only catch, it **MUST say WARNER** for the student to receive a ticket.
- Volunteers will only be coming in **one Friday a month** to hand out tickets.
- To make sure your child receives a ticket - wear a spirit shirt **EVERY FRIDAY!** You won't know which Friday volunteers will be here to give out tickets.
- ALL tickets will be collected and held for a school wide drawing in May. We will have 1 prize per grade. Prizes will be announced for the end of the semester soon.

So, get ready to show your Warner Spirit this year! You can purchase a Warner Spirit Shirt at the Spirit Cart! Thank you for your support of the Warner Elementary PTO.

“Core Essentials”

This year Warner’s character education program, designed for grades K-5 will be based upon the values created by The Core Essentials program at coreessentials.org.

Each month, a different Core Essential will be emphasized school wide to encourage students to **1) Treat other’s right, 2) Make smart decisions, and 3) Maximize their own potential or do their BEST**. The students will learn about these skills with their teachers in their classrooms and also within the guidance lessons presented by their counselors. They will hear and see a “quote of the week” that is related to the skill discussed that month. We will send home information from Core Essentials in the newsletter each month that describes the skill and how you can reinforce them at home. Please see the attached information at the end of the newsletter. The program is designed so that kids will truly know the skills and by the end of each month will be able to “SAY it, KNOW it, SEE it, and BE it”. The Core Essential for the month of **March** is **Individuality – Discovering who you are meant to be so you can make a difference**.

Electronic Communication

Please refer to the following guidelines regarding communication:

- Newsletters and other communiqués will be distributed electronically. If you do not have access to e-mail, you may access weekly newsletters by going online to www.cfisd.net (click on "Schools and Facilities," "Elementary Schools," "Warner," "Website," "School News.")
- Parents will still need to check their child's backpack/binder daily for any graded papers or teacher communication.

Additional flyers, etc. that cannot be sent electronically will be sent home on Tuesdays

Individuality March 2019

SAY IT:

Discovering who you are meant to be so you can make a difference.

KNOW IT:

ASK A KID:

- Think of all of the things you enjoy doing. Do you like to paint, play outside, swim, build things, etc.? Think of how these interests and talents can help you make a difference in the lives of others.
- Are there activities that you are interested in, would like to learn more about or would like to try? Talk with your parents and see if you can explore these options. Trying new things can be good to help you discover what you are good at and who you are meant to be.

ASK A GROWN UP:

- How old were you when you discovered what you wanted to be when you grew up?
- Did you know as a young child or were you an adult before you knew?
- What experiences helped you discover who you are and who you are meant to be?
- What does "so you can make a difference" mean to you?

SEE IT:

The Disney movie *Moana* is a great story about a girl who is in search of who she is meant to be. Watch this short clip from the movie. Discuss the words and ideas that Moana and her grandmother use to describe who Moana is truly meant to be. [youtube.com/watch?v=HEiSF-8HpyDg](https://www.youtube.com/watch?v=HEiSF-8HpyDg)

BE IT:

One night this month, sit down as a family and have everyone complete an interest inventory. An example of a good, free resource for interest profiles can be found at mynextmove.org/explore/ip. There are 60 items on the inventory that assess a person's likes and dislikes. Once the inventory is complete, it asks how much education you are interested in completing. After education level has been selected, it generates a comprehensive list of jobs that are tailored specifically to the individual. This can be used as a tool to help discover who you are meant to be and how you can make a difference in the world.

PHASE

Individuality
March 2019

It's pretty simple – the words we use with kids matter.

Our words have an impact each day on what kids think of themselves, their future, and their interactions with the world. Here are some words you can use every day:

Good morning!

I love you

I have noticed...

I hope you know...

Have fun!

Keep trying

I'm really proud when...

Work hard

I've been thinking...

I'm sorry

Be kind

I can always count on you to...

So don't miss it. It's just a phase! Make sure you are using words every day to build up the skills you want to see in your child.
